

EASILOK

NOTE

- A: Please be sure to confirm that your printing paper is a standard A4 size.
- B: When printing the PDF, please choose "actual size" on the printing mode, don't choose the "fit to print margin" or "zoom in or out" option.
- C: Please be sure printing the A4 pages vertically, never horizontally.
- D: Cut out with scissors along the dotted line after printing.
- E: Before drilling, please confirm your desire size of the hole you need, and then select the size on the template to mark.
